# About Latina History Day

Held annually during Women's History Month for the past 34 years, the Latina History Day conference brings together over 1,000 women to recognize the historic and current achievements of Latinas, while embracing Latina heritage. Attendees participate in forums on career advancement, current community issues, and financial empowerment.

Alongside the event, HOPE has been instrumental in securing local, county, state, and congressional officials to declare the second Friday in March as Latina History Day.
